Hi Panhellenic Community!

As the semester is picking up, we hope you're taking care of yourself and getting enough rest! Please remember to wash your hands thoroughly, cover your cough, and stay home if you're feeling unwell.

With love,

Your PHC Executive Council

The next delegates meeting is March 18th at Chi Omega. We encourage you to come!

FINALIZING THE RR&P

The Recruitment Rules and Procedures, also known as the RR&P, is the guiding document that determines the criteria and standards for Fall Primary Recruitment. Some of the topics covered in the RR&P are the use of frills, thresholds, and community development. This document is very important for us as PHC, in order to lead an inclusive and community oriented recruitment.

In the most recent Delegates meeting, your PHC Exec and Delegates discussed our goals and improvements that we want to see for this year's Fall Primary Recruitment. Some of the initiatives that we discussed were increasing financial transparency and providing more support to recruiters.

If you're interested in making edits to the RR&P, please reach out to your VPM with questions and edits, so they can bring it to the VPM Roundtable. Final edits are due **March 11th** and the final vote is on April 15th.
